

**Teachers may submit more than 25 entries; submit the quantity that you decide is appropriate.**  
Please, TYPE or PRINT CLEARLY all General and Portfolio entries here.

**Please note:** This form must accompany entry and be completely and correctly filled out. All information will be used for the judging and awards process. To avoid awards and certificates from being printed incorrectly, take caution in spelling and printing. **You may type your own version, but include everything listed on the entry form. The student's initials beside their entry information signifies adherence to the originality statement and for permission of OAEA to post selected work on web site, publishing, and advocacy promotions.** Instructors must make their own records that their student has guardian permission, if under the age of 18.
