

# YOUNG TALENT IN OKLAHOMA 2012

*A program of the Oklahoma Art Education Association*  
[www.oaea-ok.org](http://www.oaea-ok.org)

***Young Talent in Oklahoma Mission:***

To discover, encourage and enable young artists to continue their art education at the post secondary level by providing scholarships and awards, as well as a juried exhibition for high school art students.

***Purpose:***

To promote every Oklahoma secondary art program through gallery style exhibition honoring with celebration our diverse and talented young artists.

Entries must be submitted by current OAEA members teaching in Oklahoma public or private high schools. Teachers currently instructing art classes are invited to submit student work from their classes according to the following guidelines. Work from private instruction may be submitted with a teacher's school entries. Members may renew OAEA memberships or join OAEA with submission of entries.

Submission is made by digital photos (Powerpoint slides) on CD format. This packet is an instructional guide for teachers. It is the intent of the OAEA Board to offer, as a benefit of membership, a competitive statewide exhibition. Senior art students may submit a CD portfolio of artwork for the senior scholarship competition, using guidelines provided. Ten portfolios will be selected as scholarship winners. Dollar amount of scholarships will be determined by the number of entries and donations to scholarship fund.
